

# GLOBAL EAST ASIA TECHNOLOGY CO.,LIMITED

**Product type: Panel Feed through Connectors/Panel Press-Fit Plugs**

**Product number:GLB8BMA**

Frequency Range(GHz)	0-3	
Characteristic impedance(ohm)	50	
Max power (W)	50	
VSWR	≤1.30	
Insulation resistance	>5000MΩ	
Dielectric Withstanding voltage	750V(rms)	
Contact resistance	Center conductor	≤3mΩ
	Outer conductor	≤2mΩ
Connector	BMA	
<b>MATERIAL AND PLATING</b>		
Lighting protection	DC grounding	
Body	stainless steel passivated	
Male center contacts	Brass,gold plated	
Female center contacts	Beryllium copper ,gold plated	
Insulators	PTFE	
Crimp ferrules	copper alloy,nickel plated	
Temperature range	-65~+125℃	

Add: Room 826, Block B,BLDG 18, University Science Park(East), Zhengzhou City,P.R.Henan,China.
