

Product type: Panel Press-Fit Jacks

Product number:GLB9BMA

Frequency Range(GHz)	0-4	
Characteristic impedance(ohm)	50	
Max power (W)	50	
VSWR	≤1.30	
Insulation resistance	>5000MΩ	
Dielectric Withstanding voltage	750V(rms)	
Contact resistance	Center conductor	≤3mΩ
	Outer conductor	≤2mΩ
Connector	BMA	
MATERIAL AND PLATING		
Lighting protection	DC grounding	
Body	stainless steel passivated	
Male center contacts	Brass,gold plated	
Female center contacts	Beryllium copper ,gold plated	
Insulators	PTFE	
Crimp ferrules	copper alloy,nickel plated	
Temperature range	-65~+125℃
